Re: Stationary Engineer and Building Automation Specialist Postings

1. The parties agree that we have a mutual interest in filling the vacant Stationary Engineer and Building Automation Specialist as soon as possible. As such, the employer will continue to post the vacant Stationary Engineer and Building Automation Specialist until a qualified applicant can be found to fill each position.
2. The parties agree that this is outside of the contractual process for posting vacancies, as stated in Section 11.23 of the collective bargaining agreement.
3. This agreement will only apply to the current job postings outlined in this agreement. Nothing in this agreement will be construed as precedent setting.
4. This constitutes the entire agreement.
