 CHAPTER CHAIRPERSONS**

**FROM: ROBYN C. PRICE, SECRETARY-TREASURER**

**SUBJ: 2018 MICHIGAN MINIMUM DUES**

Article IX, Section 7 of the International Constitution sets forth the process by which the annual adjustment of the minimum dues rate is determined. Section 7 also includes a provision which calls for the calculation to be audited and certified by an independent certified public accountant not otherwise connected with AFSCME. The audit of the 2018 calculation has been completed and the auditor's written certification is available upon request to the International.

**The information contained in this letter details the correct minimum dues rates for all AFSCME Local Unions in Michigan. Your 2018 Dues Rates are based on the information contained in the October 20, 2017 letter you received from International Union Secretary-Treasurer Elissa McBride.**
