GENERAL PROVISIONS

Section 9.01 Grievances within the meaning of the grievance and arbitration provisions of this Agreement shall consist only of disputes arising under and during the life of this Agreement and which pertain to the interpretation, application and alleged violation of the Agreement's express written terms and conditions.

Section 9.03 No matter shall be subject to the Grievance Procedure unless it is presented in writing by the Union within fifteen (15) workdays of the date the employee or the Union became aware, or reasonably should have become aware, of the action complained of. If no grievance is presented in that time the grievance is barred.

Section 9.04 If the Union fails to appeal a Step II, or Step III answer in writing within the time provided in the Grievance Procedure, or any mutually agreed extension of such time, the Employer's Step II or Step III answer shall be considered final.

Section 9.05 If the Employer fails to answer the grievance, in writing, within the time provided in the Grievance Procedure, or any mutually agreed extension of such time, the grievance shall be advanced to the next step of the Grievance Procedure.

Section 9.06 If the Employer fails to schedule a meeting within the prescribed time limits, unless the time limits are

extended by mutual agreement of the parties, the grievance shall be advanced to the next step of the Grievance Procedure.

Section 9.07 A grievance may be withdrawn without prejudice and, if so withdrawn, shall not be considered in connection with any future grievance.

Section 9.08 If a grievance involves more than one (1) employee, or the Union or Employer believe the processing of a grievance through Step I of the Grievance Procedure to be clearly inappropriate, either party may submit a request to the other party to process the grievance commencing at Step II of the Grievance Procedure and, by mutual agreement, the grievance may be so processed. Disciplinary suspensions and terminations from employment shall be directly appealed to Step II.

Section 9.09 Where one (1) or more grievances involve a similar issue, those grievances may be held in abeyance pending the disposition of the appeal of a representative case which shall control the result of all such cases.

Section 9.10 The Arbitration provisions of this Agreement are expressly and exclusively reserved to the Union and the Employer. No employee or group of employees shall have the right to appeal or process a grievance to the Step III, Arbitration level of the Grievance Procedure.

Section 9.11 The resolution of a grievance at Step I, or II, shall not add to, subtract from or modify the terms of this Agreement. Any agreement reached between the Employer and the Union shall be binding upon the Union and its members, the Employer and affected employees.

Section 9.12 No Agreement shall add to, subtract from or modify the terms of this Agreement unless done so in writing and approved by the Director of Labor and Employee Relations

or his/her designee and the Local President. Any agreement so reached shall be binding upon the Union and its members, the Employer and affected employees.

Section 9.13 For purposes of computing workdays pursuant to this Article, Saturdays, Sundays and holidays shall be excluded.

GRIEVANCE PROCEDURE - STEP I

Section 9.14 An employee or group of employees having a grievance in connection with his or their employment shall first discuss and try to resolve the matter informally with the Employer's Step I Representative. If the matter is not thereby resolved, the employee may request the Employer's Step I Representative to schedule a meeting at which the employee, the Employer's Step I Representative and the employee's District Steward may further review the matter. If the matter remains unresolved after such meeting, the District Steward may then refer the matter to the appropriate Chief Steward who may, within fifteen (15) workdays of the occurrence that gave rise to the grievance, reduce the grievance to writing on forms provided by the Employer and submit the grievance to the Employer's Labor and Employee Relations Office.

GRIEVANCE PROCEDURE - STEP II

Section 9.15 Within fifteen (15) workdays after receipt of the written grievance by the Employer's Labor and Employee Relations Office, or such further time as is mutually agreed upon, a representative of the Labor and Employee Relations Office shall schedule a meeting with the Local President, the Chief Steward, the Grievant, and the Employer's Step I and II Representatives. The Local President, the Chief Steward and Grievant shall be allowed to meet, at the discretion of the Union, said discretion not to be abused, for a period not to exceed thirty (30) minutes immediately prior to the scheduled Step II meeting solely for the purpose of discussing the

grievance. For the purpose of hearing a grievance at Step II which is signed by more than one (1) employee, or multiple grievances which involve a similar issue, the Union shall designate one (1) employee (Grievant) to represent the issue at the Step II hearing.

Section 9.16 Within fifteen (15) workdays after the Step II meeting, the Employer's Representative shall give the Local President a written answer to the grievance with a copy to the Chief Steward.

GRIEVANCE MEDIATION PROCESS

Section 9.17 Within ten (10) working days of the Employer's decision at Step II, prior to an appeal to Arbitration, and with the mutual agreement of the parties, a grievance may be submitted for mediation through the Federal Mediation and Conciliation Services (FMCS) and the Michigan Employment Relations Commission (MERC).

The parties will coordinate a date for mediation as soon as administratively possible, so as to not unduly delay the grievance process. Mediators will be presented with the case facts, receive any review documents and hear testimony from each party.

If the grievance is not resolved through mediation, the Union may submit a grievance to arbitration in accordance with Step III of the Grievance procedure. The date of mediation will be used as the effective date to start the time frame within which the Union may make a timely appeal to arbitration.

It is agreed that any and all settlement discussions by the parties, recommendations, or opinions offered by the Mediators shall not be used by either party in the presentation of their case at arbitration.

GRIEVANCE PROCEDURE - STEP III, ARBITRATION

Section 9.18 If not resolved at Step II, the Local may submit the grievance to Step III (intent to arbitrate) by written notification to the Director of Labor and Employee Relations within twenty (20) workdays of receipt of the Employer's written Step II answer, AFSCME's Local 3866 President shall provide written notice to the Office of Labor and Employee Relations of the Union's intent to arbitrate. If such written notice is not given to the Employer's Office of Labor and Employee Relations within twenty (20) work days, or any mutually agreed extension of such time, the grievance is barred from arbitration and the Employer's disposition of the grievance shall be final. The parties agree that during this twenty (20) work day time frame or any mutually agreed upon extension, a meeting may be convened with the Union President, AFSCME Council 25 Staff Representative, and Director of Labor and Employee Relations with an effort to resolve grievances prior to arbitration.

Section 9.19 AFSCME Council 25 will have sixty (60) calendar days from the date of the unions notice to the Employer of its appeal to Step III to make a final decision and formally notify the Director of Labor and Employee Relations of its decision to either pursue the grievance to final and binding arbitration or withdraw the matter from the grievance procedure. If such written notice is not received by the Director of Labor and Employee Relations within sixty (60) calendar days time frame, or any mutually agreed upon extension, the grievance is barred from arbitration and the Employer's Step II disposition of the grievance shall be final.

Section 9.20 If a grievance is not resolved at Step II Grievance or Mediation and the grievance is accepted by AFSCME Council 25 according to Section 9.19 and notice is provided, the Union and the Employer may mutually agree to an Arbitrator. If the parties do not mutually agree within

fourteen (14) calendar days from the date AFSCME Council 25 provides notification, the Union may submit the grievance to Arbitration by filling a Demand for Arbitration with the American Arbitration Association no later than thirty (30) calendar days after AFSCME Council 25's notification, with concurrent notification to be provided to the Director of Labor and Employee Relations, or his/her designee. Notification shall be subject to the same time limitations set forth for filing with the American Arbitration Association and shall include a copy of the Union's Demand for Arbitration, identification of the grievance, issue(s) and provisions of the Agreement involved. If the grievance is not submitted to Arbitration in accordance with the procedure and time limitations as herein prescribed, the Step II disposition of the grievance shall be considered final. Selection of the arbitrator and the arbitration hearing shall be governed by the Voluntary Labor Arbitration Rules of the American Arbitration Association. For Section 9.20, all notifications will be provided to the Director of Labor and Employee Relations or designee.

Section 9.21 Upon written request, Michigan AFSCME Council 25 will provide the Director of Labor and Employee Relations with a list of all closed cases.

Section 9.22 Grievances within the meaning of the Grievance Procedure and of this Arbitration Clause shall consist only of disputes about the interpretation or application of the clauses of this Agreement and about alleged violations of this Agreement. The Arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement, nor shall he substitute his discretion for that of the Employer or the Union where such discretion has been retained by the Employer or the Union, nor shall he exercise any responsibility or function of the Employer or the Union.

Section 9.23 In the event of Arbitration, the fees and approved expenses of the Arbitrator will be paid by the parties equally.

The Employer shall be responsible for compensating its own representatives and witnesses, and shall provide the Local President release time to attend Arbitration hearings. The Union shall be responsible for compensating all its other representatives and witnesses. The Arbitrator's decision, when made in accordance with his jurisdiction and authority established by this Agreement, shall be final and binding upon the Employer, the Union and its members, and the employee or employees involved. The Union will discourage any attempt of its members and will not encourage or cooperate with any of its members, in any appeal to a court or labor board from a decision of any arbitrator unless subpoenaed by said court.

ARTICLE 10 SUSPENSION, DISCIPLINE OR DISCHARGE

Section 10.01 Assessments of discharge, suspension or discipline shall occur not later than the thirty (30) calendar days from the day the Employer first became aware of the infraction giving cause for disciplinary action. Extensions to this time frame may be granted by mutual agreement of the parties and any request for an extension will not be unreasonably denied. Request for extensions will also include an estimated time frame by which the investigation will be completed.

Section 10.02 The Employer agrees upon the discharge, suspension, or discipline of an employee, to promptly provide written notification to the employee's Chief Steward, or if unavailable, the Alternate Chief Steward, if available, of the discharge, suspension or discipline and provide a copy for the Local President.

Upon request, a representative of the Employer will arrange for a meeting to be held with the discharged or suspended employee and his/her Chief Steward or if unavailable, the Alternate Chief Steward, if available. If both the Chief Steward and Alternate Chief Steward are unavailable, upon request of a discharged or suspended employee for Union representation, the Employer shall select a Union Steward to meet with the employee before he/she is required to leave the premises of the Employer.

APPEAL OF DISCIPLINE

Section 10.04 Should an employee who receives a written reprimand consider the discipline to be improper, a grievance may be presented at the first step of the grievance procedure to the Employer's Step 1 Representative.

APPEAL OF A DISCHARGE OR SUSPENSION

Section 10.05 Should the discharged or suspended employee consider the discharge or suspension to be improper, a grievance may be presented in writing by the Chief Steward or the Local President, or if unavailable their designees, to the Labor and Employee Relations Office at the Second Step of the Grievance procedure within ten(10) workdays of the suspension or discharge. Extensions to this time frame may be granted by mutual agreement of the parties and any request for an extension will not be reasonably denied. Request for extensions will also include an estimated time frame that a grievance will be presented. For the Article, the workdays will not include any days the University is closed (i.e., seasonal days, holidays, etc.), Saturdays, and Sundays.

USE OF PAST RECORD

Section 10.06 In imposing any discipline on a current charge the Employer will not take into account any prior minor infractions of which the Employer had knowledge that occurred more than one (1) year previously, or major infraction, that occurred more than two (2) years previously. At the request of the employee, the Employer will remove from the employee's official personnel file those records of disciplinary action(s) which no longer have any force and effect within the progressive disciplinary procedure as set forth in Employer's Work Rules for Bargaining Unit Employees and which was issued as a minor or major infraction. At the request of the employee, the Employer may remove from the employee's official personnel file those records of disciplinary action(s) which are a Class III offense as set forth in the Employer's Work Rules for Bargaining Unit Employees. Time spent on leave of absence of any type or Workers Compensation leave shall not be included in calculating the expiration date of any disciplinary action which may be, or may have been, issued in connection with violations of the University's Attendance Guidelines or Work Rules.

ABSENTEEISM/TARDINESS

Section 10.07 In order to realize its high standard of delivering outstanding services in a timely manner, the University and AFSCME Local 3866 have adopted the following policy guidelines for absenteeism and tardiness. These standards are intended to encourage regular and timely attendance to work. With respect to absenteeism/tardiness standards, the University and the Union endorse the concept of preventive counseling.

COUNSELING

Section 10.08 Counseling is not a disciplinary action; it is an attempt to resolve attendance problems before they result in disciplinary action. Counseling shall precede initiating progressive discipline for attendance matters. When counseling is needed, the direct supervisor will meet with the employee and his/her Union Steward to explain why there is a need for the counseling session, asking the employee to participate in finding a resolution to the issues discussed. The goal of the counseling is for the employee to understand the importance of being present at work and for the supervisor to have conveyed an expectation that the attendance problem(s) will cease. The counseling session will be documented by the supervisor, with copies to the employee and Union, but no documentation will be placed in the employee's file unless the attendance problem continues.

ABSENCES

Section 10.09 An employee shall be deemed excessively absent if his/her absence for work:

1. Cannot be covered by accrued sick time; or
2. Demonstrates a specific pattern – whether covered by accrued sick-time or not – such as missed days immediately before or after holidays, weekends, or pay days; continuing same-day-of-the week absences; and the like.

TARDINESS/LATE ARRIVALS TO WORK

Section 10.10 An employee shall be deemed “late for work” if he/she is late to work more than three (3) times in a calendar month.

Employees are required to make proper notification of any late arrival. Employees who arrive at work within an hour after the beginning of their scheduled shift shall have the option to use sick time or take no-pay for the late arrival. If the employee’s tardiness exceeds one (1) hour he or she will be required to use sick time and it will be considered an absence if he or she is unable to cover it with sick time. Employees who arrive at work at any time up through the first four (4) hours past the start of their scheduled shift, may be subject to reassignment conditioned on the operational needs of their work area. Employees, who arrive at work at any time beyond four (4) hours past the scheduled start of their shift will be deemed absent.

ARTICLE 11 SENIORITY DEFINED AND ITS APPLICATIONS

Section 11.01 Seniority shall be on a bargaining unit-wide basis in accordance with the employee's most recent date of hire as a regular employee. If initially employed as a temporary employee, an employee's seniority shall date from his/her most recent date of hire as a regular employee. Except as otherwise provided, no time shall be deducted from an employee's seniority due to absences occasioned by Employer approved leaves of absence, approved vacation, and Employer approved sick or accident leaves. Unit-wide seniority and bargaining unit-wide seniority are synonymous.

Section 11.02 The Employer will provide to the Union real time access to seniority list on the Business Objects Enterprise ("BOE") system.

Section 11.03 The names of all employees who have completed their probationary periods shall be listed on the seniority list in order of their most recent hiring dates, starting with the employee with the greatest amount of seniority at the top of the list. If two (2) or more employees have the same last hiring date, their names shall appear on the seniority list alphabetically by the first letter or letters of their last name. The same procedure shall be followed with respect to their first name. Where employees have the same name and the same hiring date, they shall appear on the seniority list in order of the last four digits of their social security number, highest first. The seniority list shall also show the classification, pay grade and position title of each listed employee.

PROBATIONARY EMPLOYEES

Section 11.04 New employees hired after the ratification of this agreement shall be considered as probationary employees for the first one hundred and eighty (180) calendar days of employment. A probationary employee who was employed in the same position as a temporary employee, immediately prior and continuous with his/her appointment as a regular employee, shall have his/her probationary period reduced by the length of such temporary employment in that position, not to exceed thirty (30) days. This provision will not reduce the days of continuous service for eligibility for benefits as defined below in this section or any other days of continuous service in Section 12.03 or any other provisions of this collective bargaining agreement. When an employee finishes the probationary period, he/she shall be entered on the seniority list of the unit and shall have seniority within his/her occupation from his/her date of hire. There shall be no seniority among probationary employees. Probationary employees shall not be eligible for group medical, dental, or life insurance until ninety (90) days continuous service.

Section 11.05 A representative of the Union shall be afforded time to meet new bargaining unit members within the first ninety (90) days of employment as part of the employee onboarding process. Within that time period, the Employer will provide to the Union the new employee's name and job location via email.

Section 11.06 The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment; but a probationary employee may be discharged or disciplined for any reason deemed proper by the Employer without recourse to the grievance procedure.

LAYOFF AND RECALL

Section 11.07 Except for decreases in the labor force as set forth in Section 11.19 below, when there is a decrease in the work force, temporary employees, then probationary employees in affected classifications will be laid off provided the seniority employees can perform the available work. Thereafter, affected seniority employees must exercise their seniority according to the following order, except as hereinafter provided:

- (1) To transfer into a job vacancy, if any, in the same classification and pay grade within the occupational unit;
- (2) To replace the least senior employee in the same classification and pay grade within the occupational unit;
- (3) To replace the employee with the least seniority within his/her pay grade and within his/her occupational unit;
- (4) To transfer into a job vacancy, if any, in the next

lower pay grade within his/her occupational unit;

- (5) If no such vacancy exists, to displace the employee in his/her occupational unit with the least seniority in the next lowest pay grade, where there is a less senior employee;
- (6) To transfer into a vacancy, if any, in another occupational unit in a classification which does not have a rate higher than the rate of the classification of the displaced employee exercising his/her seniority;
- (7) To displace the employee, if any, with the least seniority in another occupational unit in a classification which does not have a higher rate than the rate of the classification of the displaced employee exercising his/her seniority provided that if there is none, an employee may displace the least senior employee in the lowest pay grade within such occupational unit;
- (8) Be laid off.

Section 11.08 When the working force is increased after a layoff, employees will be recalled according to seniority, provided the greater seniority employees are able to perform the available work before new employees are hired. However, the Employer shall not be required to promote an employee at time of recall unless he/she has previously performed the higher rated job and is able to do the work.

Section 11.09 Any employee who is recalled from a layoff shall be restored his/her seniority including that which he/she otherwise would have acquired during the period of his/her layoff.

Section 11.10 Notice of recall shall be sent to the employee at his/her last known address by certified mail and regular mail. If an employee fails to report for work within five (5) working days from the date of delivery of notice of recall or first attempt of delivery (i.e., Out for delivery by USPS), whichever date is last (date of delivery or first attempt of delivery), he/she shall be considered a quit. The time period for date of delivery of notice of recall (as defined in the previous sentence as “whichever date is last”) will be no more than fourteen (14) calendar days. Extension may be granted by the Employer in proper cases.

Section 11.11 Any employee exercising his/her seniority under the Layoff or Recall procedures provided above must possess the necessary qualifications for the position of the employee he/she is displacing or the vacant position; such employee may be disqualified from performing such work if it is determined by the Employer during the first twenty (20) days the employee has actually worked in the job that such employee does not have the ability to perform the job. Any employee disqualified from a job as provided herein may then exercise his/her seniority rights under Section 11.07 above, and the employee displaced will be returned to the job.

Section 11.12 In applying the procedure set forth above, in no case shall a displaced employee replace an employee who has greater bargaining unit seniority.

Section 11.13 Employees to be laid off for an indefinite period of time (not including regular scheduled closedowns based upon the Employer's calendar) shall have at least seven (7) calendar days notice of layoff. The Employer will send the Local Union President a list of the employees being laid off on the same date the notices are issued to the employees.

Section 11.14 For purposes of this section, occupational units shall be designated as Food Service, Maintenance, and Skilled Trades-Maintenance.

EXCEPTIONS TO THE LAYOFF AND RECALL PROVISIONS:

Section 11.15 The layoff procedure provided herein shall not be applicable to Food Service Employees during scheduled closedowns based upon the Employer's calendar (including but not limited to Christmas and winter recess, and summer sessions). During such closedown periods as described above, Food Service Employees will be assigned work within their Food Service District, within their classification and pay grade by seniority. For purposes of this provision only, Dining Commons I and Dining Commons II shall be considered as a single district.

Section 11.16 Food Service Employees who are on summer release (closedown) or transferred as a result of regular scheduled closedowns during the summer sessions shall be returned to their regular jobs at the beginning of the following academic year, providing such jobs are available.

Section 11.17 Food Service employees not scheduled to work in Food Service during such scheduled closedowns as defined in Section 11.16 above may bid on available summer jobs online and will be offered available opportunities to work in other departments in bargaining unit jobs for which they qualify. Such work opportunities shall be offered to Food Service employees in order of their seniority. Food Service employees assigned to such work will receive the rate of the job.

Section 11.18 Food service employees on summer release may apply for available internal vacant temporary positions provided they meet the minimum qualifications for the position

and employer is seeking to fill the position. To be considered for temporary work, summer release employees must apply to the internal temporary pool and include their employee identification number.

Section 11.19 The Layoff and Recall of laid off employees for temporary assignments shall not be subject to the Layoff and Recall provisions of the contract.

TRANSFERS

Section 11.20 If an employee with seniority is transferred to another job classification or department, his/her unit-wide seniority will be carried with him/her as long as the employee remains within the bargaining unit.

Section 11.21 If and when a department which has been operated at one location is divided so as to work at or out of two (2) or more locations for a period of more than seven (7) days, employees whose jobs are affected will be given the choice of department location on the basis of occupation seniority.

Section 11.22 The Employer agrees that in any permanent movement of work not covered in Section 11.11 and Section 11.12 above, he/she will discuss the movements with the Union in order to provide for the protection of the seniority of the employees involved.

VACANCIES

Section 11.23 Bargaining unit position vacancies, if to be filled, shall be posted on the on-line hiring system for a minimum period of seven (7) calendar days to no more than fourteen (14) calendar days. Employees may elect to sign up to receive email notifications of available posted positions from the online hiring system. The job postings will consist of the position classification, pay grade, department, location, rate of

Section 11.24 The Employer will first make job awards within the bargaining unit available on a seniority basis to its employees within the same classification, same grade and different classification or higher job classification. If there is no same classification, same grade and different classification, or higher classification applicant(s), job awards will be made from the three (3) most senior qualified bargaining unit applicants who possess the necessary qualifications and the demonstrated ability to perform the essential duties for the position under consideration. Each individual candidate is responsible for ensuring within the posting period, that his or her employment record and/or application accurately reflects those job skills, experience, training and other qualifications he or she desires the Employer to consider in evaluating his or her candidacy.

Section 11.27 The Employer shall notify, by email, all Bargaining Unit applicants of the disposition of their applications. Provision of the name and seniority date of the employee awarded the position shall be deemed appropriate notification to candidates not being offered the position.

Section 11.28 The successful bidder shall be transferred to the posted position within two (2) weeks after he/she is formally notified by the Employer of his/her appointment, provided a replacement is available. The successful bidder must either accept or refuse the position within three (3) calendar days, which includes the day of notification, from the date of the initial offer. An employee who refuses an offered bargaining unit position, or fails to respond to the hiring authority within this time frame shall forfeit his or her right to bid on another bargaining unit position for a period of one (1) year, except where the employee desires consideration for a vacancy with a higher rate of pay, or where the employee works less than full time and is applying or bidding on a full time position.

Section 11.29 At any time during the first twenty (20) days that an employee has actually worked in a new position, the employee may be returned to his/her former position, if:

- (1) He/she does not possess the ability to perform the duties of the new position, or
- (2) He/she does not desire to remain in the new position. In this case, the employee will be required to submit written notification to his/her supervisor of their desire to be returned to his/her former position. If during said twenty (20) day period, the Employer determines that

the employee is unsatisfactory in the new position he/she shall be transferred back to his/her former position with reasons for the transfer submitted by the Employer in writing to the employee and the Steward of the District. The matter may then become a proper subject for the grievance procedure.

Section 11.30 When an employee returns to his/her former position pursuant to the above, the Employer may fill the vacated position utilizing any application received through or subsequent to the original posting period.

Section 11.31 Any new or current employee who is awarded and accepts a position for which he/she has applied or bid shall be barred from applying or bidding on any future vacancy for a period of one year, except where the employee desires consideration for a vacancy with a higher rate of pay or where the employee works less than full time and is applying or bidding on a full time position.

in the Agreement.

Section 18.03 In the event individual employees or groups of employees instigate, aid or engage in a work stoppage, strike, work interruption, work interference, slowdown, picketing or boycott, the Employer shall have the right, at its discretion, to discipline or discharge such employees. However, it is understood and agreed that the question as to whether an employee's conduct is such as described by this section may be processed under the grievance procedure, provided a written grievance is presented at Step Two within ten (10) working days after the date upon which the employee was discharged or disciplined.

Section 20.03 The parties recognize that both the University and individual employees may benefit from off-duty vocational training that is directly related to skills and abilities needed in an employee's present job assignment.

Section 20.04 To the extent the University may, in its sole and exclusive discretion, elect to fund and make such self-development opportunities available, eligible employees shall be reimbursed for the full tuition cost of up to three (3) credit hours per semester at Washtenaw Community College, Wayne County Community College, and Jackson Community College or such other institutions as may from time to time be approved by the University. Upon submission by the employee to the Employer of the approved vocational training form and evidence that the employee has satisfactorily completed the course, the Employer will issue a reimbursement check.

Section 20.07 The employee must take courses during non-working hours.

ARTICLE 21 NEW JOBS

Section 21.01 The Employer and the Union agree upon and accept the job classification specifications in effect at the time of ratification of this Agreement as the basis for payment of wages as provided in APPENDIX B - WAGE RATES EFFECTIVE

Section 21.02 In such event, the Employer changes a classification description or creates a new job in the Bargaining Unit which is not covered by an existing classification, the Employer shall notify the Union and provide a copy of the official classification description of the new or revised job and pay grade prior to posting via email to the AFSCME Local 3866 President, Vice President, Treasurer, and Recording Secretary. The Union will establish an email group for the Employer to send the notification. The subject line of the email message shall state New and/or Revised Class Spec. The Union will have five (5) working days from the date the email notification is sent to review the job classification. If requested, the Employer shall meet in a Special Conference with the Union (not to exceed three (3) persons) within five (5) working

days from meeting request to discuss the said classification and negotiate the pay rate. The Employer will not proceed with the interview process until after the Special Conference has been held. If no notification is received from the Union the Employer will consider the change mutually agreed upon. The time frames above may be extended upon mutual agreement, and any request will not be unreasonably denied. Pending the outcome of the negotiation between the Employer and the Union (if requested) as herein above provided, any person hired or assigned to work in a new or revised job shall be paid at the rate determined by the Employer.

ARTICLE 22 WORK OF SUPERVISORS AND FOREMEN

Section 22.01 Supervisors and Foremen shall not perform work of any job classification of the Bargaining Unit. It is however, understood that under emergency conditions when regular employees are not immediately available, supervisors and foremen may perform bargaining unit work.

Section 22.03 Also, it is understood when it is necessary to test, demonstrate, or instruct employees in the use of new materials, or new methods of operation, or when operational difficulties are encountered, supervisors and foremen may perform bargaining unit work.

ARTICLE 23 OVERTIME AND EQUALIZATION OF OVERTIME

OVERTIME

Section 23.01 Time and one-half the regular straight time rate

will be paid for all hours worked in excess of forty hours in an employee's work week. Preapproved absences will count as hours worked, this includes vacation, sick personal and holidays. Paid sick leave will count as hours worked.

Section 23.02 Time and one-half the regular straight time rate will be paid for all time worked on a designated holiday in addition to holiday pay.

Section 23.03 In no case shall premium pay be paid twice for the same hours worked.

EQUALIZATION OF OVERTIME

Section 23.04 Overtime hours shall be divided as equally as possible among eligible full time employees in the same classifications in their District. An up-to-date list showing overtime hours will be given to the Local President each month. On July 1 of each year, all employees shall start from zero overtime hours. An eligible employee is one who has signed the overtime availability list established by the Employer. Employees who decline to sign the overtime availability list shall not be subject to overtime assignment unless there are insufficient employees on the list to complete the assignment. The overtime availability list will be updated every February 1 and August 1. At that time, employees not previously on the list may sign the list, unless prohibited by action of Section 23.08 below.

Section 23.05 Whenever scheduled overtime is required, the eligible employee with the least number of overtime hours in that classification within their District will be called first and so on down the list of eligible employees in an attempt to equalize the overtime hours. Eligible employees in that classification outside the District will be called if there is a shortage of eligible employees in that classification within District. Eligible employees in other classifications may be called if there is a

shortage of eligible employees in the classifications needed. In such cases, they would be called on the basis of least hours of overtime in their classification provided they are capable of doing the work. It is understood that the Employer need not call in an employee for overtime under this provision rather than continue the shift of an employee already at work.

Section 23.06 When an employee is assigned a task during his/her regular work hours and is not able to complete the task, the assigned employee will be given first consideration to continue working to complete the task, if it is deemed necessary by the employer. Any hours worked by an employee beyond their normal shift shall be counted for purposes of overtime equalization.

Section 23.07 For purposes of this equalization provision, overtime does not include hours worked when an eligible employee is called in for emergency duty not scheduled in advance and not continuous with the employee's regular work period.

Section 23.08 For the purpose of this clause, when an eligible employee declines an overtime assignment or is unavailable for the assignment the employee will be charged the average number of overtime hours of the employees working during that overtime period. An eligible employee who declines an overtime assignment five (5) times during an eligibility period, as specified in Section 23.04, above, will be removed from the current overtime assignment list and for the following eligibility period. An eligible employee who accepts an overtime assignment, and who fails to report for that assignment, will be charged 2 1/2 (two and one-half) times the hours actually worked by the employee(s) who completes the overtime assignment, or 2 1/2 (two and one-half) times the hours that were scheduled for such overtime assignment in the event no one is assigned to complete the work. An eligible employee who fails to report for the overtime assignment and also fails to

call in (i.e., a "no call/no show") will be assessed the 2 1/2 (two and one-half) times penalty, and will be subject to appropriate disciplinary action. An eligible employee who, twice within an eligibility period accepts and fails to report for an overtime assignment will have his/her name removed from the overtime availability list for the current and the following eligibility period, as provided in Section 23.04 above. The employee may select any type of individual policy then customarily being issued by the insurer, except term insurance or a policy containing disability benefits. The premiums will be the same as the employee would ordinarily pay if he/she applied for an individual policy at that time.

Section 33.04 Employees on an authorized unpaid leave of absence may request the continuation of their group life and accidental death and dismemberment insurance coverage for a period not to exceed one (1) year. Employees electing to continue such coverage shall pay the full cost of such continued coverage. Arrangements for the payment of the applicable premium amounts shall be made with the Employer's Benefits Office prior to the commencement of the leave.

Section 33.05 Such group life and accidental death and dismemberment insurance benefits plan shall terminate on the date that an employee is laid off; the life and accidental death and dismemberment benefits plan terminates; or when an employee goes on unpaid leave of absence. In accordance with Section 32.11 above, however, when an employee terminates his/her employment with the University, he/she will be covered by the plan then in existence for a grace period of thirty-one (31) calendar days beginning with the date of separation. During such thirty-one (31) day period, the employee may convert his/her group life insurance to an individual plan. The employee shall pay the full cost of such plan as determined by the insurance carrier.

Section 33.06 When an employee reaches age sixty-five (65) and continues working, his/her insurance coverage is decreased by thirty-five (35) percent with no further reduction (based upon

age) thereafter. When an individual retires (providing he/she is over age fifty (50) with ten (10) or more years of service to the Employer; or is medically retired at or after age forty (40) with five (5) or more years' service), his/her coverage is automatically reduced to \$7,000 and such coverage shall be maintained at no cost to the employee.

Section 34.03 The specific terms and conditions of such insurance coverage, unless specifically modified herein, shall be in accordance with the Employer's policy with the carrier, except as hereinafter amended by such carrier. Provided proper application and enrollment is made by an employee, the University agrees to pay the cost for maintaining the above described benefits plan for the employee, his or her spouse, and eligible dependent children under twenty- five (25) years of age at a cost not to exceed the applicable cost for full family, two (2) persons, or single person benefits subject to the same rules set forth in Section 32.09 above for the payment of group medical benefit costs. Section 35.06 To qualify for short-term disability insurance coverage as above described, each employee must individually enroll and make proper application for such coverage at the Employer's Benefits Office within thirty (30) calendar days of the effective date of his/her appointment to a regular position with the Employer. Such benefits shall also provide for eligible employees whose total disability commences at or prior to age sixty (60) to receive benefits up to age sixty five (65). ARTICLE 38 BEREAVEMENT LEAVE

Section 38.01 If a death occurs among members of an employee's immediate family, the employee will be allowed four (4) working days off without loss of pay to attend the funeral and/or memorial service and make other necessary arrangements for spouse and/or child. Such four (4) working days shall be taken during the ten (10) workday period commencing with the date of death notification and need not be concurrent. For Bereavement Leave for “immediate

family” other than spouse and child, the employee will be allowed three (3) working days off without loss of pay to attend the funeral and/or memorial service and make other necessary arrangements. Such three (3) working days shall be taken during the ten (10) workday period commencing with the date of death notification and need not be concurrent.

Section 38.04 Proof of attendance at the funeral or memorial service shall be required by providing to the Employer a written statement prepared and signed by the funeral home. This statement shall contain the name of the deceased, the date, time and location of the funeral or memorial service, the employee's name, and the signature of an appropriate representative of the funeral home. Until such statement is filed, all absences will be considered as lost time and the employee's pay will be reduced accordingly. For purposes of 38.02, in place of documentation from the funeral home, employees may provide proof of obituary or the memorial service and/or certification of death.

Section 38.05 In either case, time taken beyond the specified amount will be charged against the employee's vacation or sick

leave, as designated by the employee.

ARTICLE 39 UNIFORMS

Section 39.01 The Union shall have the opportunity to meet and agree with the Employer regarding the selection of uniforms, for example: sleeve length, pant type, style, fit, identification, color, etc., as well as the opportunity for input regarding uniform durability, performance, etc., throughout the life of the contract. The Plumbing area employees continue to receive cotton uniforms. Others may select cotton uniforms, to the extent available, with the employees paying the cost differential between the standard and the cotton uniforms. In the unlikely event that the parties cannot agree on uniform selection, selection by the Employer will be made.

Section 39.02 The Employer will furnish each employee who is required to wear a work uniform with a minimum of three (3) uniforms (dresses, shirts and pants or shoes) each October, per contract year. Employees may choose three (3) shirts (long sleeve, pullover or buttoned) and (3) pants (shorts, long pants, including pocket cut alternatives) or may choose any combination thereof, with the understanding that a complete uniform set, clean and in good repair, is worn while at work. An employee may substitute a pair of shorts in place of one of the three (3) long pants that the University provides to the employee. The University maintains the right to decide whether an employee will receive a pair of shorts in lieu of a pair of pants. Employees may also wear uniforms from the previous two years providing they are in good repair and color combination is unchanged. The employee has the responsibility of laundering and repair. An employee whose uniform is deemed to be unserviceable by the Employer shall be issued up to two (2) replacements per year, providing the damaged uniform(s) was issued during the most recent contract year. Any other replacement uniforms required shall be furnished by the employee. At the Employer's discretion, and as may be

determined by the management personnel within individual operating units, employees shall be provided additional uniforms, outerwear and/or accessories. Uniforms will remain the property of Eastern Michigan University and shall be returned at the University's discretion.

Section 39.03 Each employee who is required to wear work uniforms must wear his/her work uniform, properly laundered, during all working hours, and may be disciplined for failure to do so. The Employer shall have a unilateral right to direct the manner in which uniforms will be worn.

Section 39.04 Employer will make accommodations for extra small and extra-large uniform sizes. If employer will not provide correct sizes then they will provide reimbursement to employees with receipts.

SAFETY SHOE ALLOWANCE

Section 39.05 The Employer agrees to provide each employee who is required by the Employer to wear safety shoes with one hundred dollars (\$100) per year safety shoe allowance.

SHORTS

Section 39.07 When wearing shorts, staff should bring a pair of standard uniform pants to work, just in case you are required to do work that requires long pants (i.e., long pants should be worn when stripping floors). If the employee does not have pants at work to change into for stripping floors, the supervisor will inform the employee to clock out and go home to change into pants. Upon the employee's return to work, the employee will clock back in. The employee will not receive pay for the time the employee is away from work in order to change into pants. If an employee is sent home four times for not having pants available to change into, upon the Employer's discretion, the employee may no longer be allowed to wear shorts at work.

Exceptions to Section 39.06 and 39.02, those employees who are assigned to work for dining will not be allowed to wear shorts and receive shorts from the Employer.

Section 39.07 The Employer agrees to provide each employee who is required by the Employer to wear safety glasses with safety glasses as needed.

ARTICLE 40 SPECIAL CONFERENCES

Section 40.01 At the request of either the Union or the Employer, conferences shall be held for the purpose of considering matters of mutual interest, other than grievances under consideration in the Grievance Procedure, provided that mutually acceptable arrangements as to time and place can be made. All such conferences shall be arranged through the President of the Union, or his/her designated representative, and a designated representative of the Employer's Labor and Employee Relations Office, within fifteen (15) calendar days of receipt of such request. Representatives of the Union, not to exceed five (5) shall not suffer loss of time or pay when absent from their assigned schedule of work for the purpose of attending a conference. Conferences may be attended by representatives of Council 25 and the International. It is understood that any matters discussed, or any action taken pursuant to such conferences, shall in no way change or alter any of the provisions of the collective bargaining agreement, or the rights of either the Employer or the Union under the terms of the Agreement, unless mutually agreed upon in a memorandum of understanding and signed by the parties and ratified by the union membership.

ARTICLE 41 SUB-CONTRACTING

Section 41.01 Regular employees having seniority as of the effective date of this Agreement will not be laid off as a result of use by the Employer of an outside contractor to perform the

work of the employees.

ARTICLE 42 TUITION WAIVER PROGRAM

Section 42.01 A tuition waiver program providing for a waiver of the full cost of tuition fees up to six (6) semester hours of credit per semester at Eastern Michigan University, shall be available to eligible employees. This program applies to tuition only; registration and other incidental fees which may be charged shall be borne by the employee.

Section 42.02 An employee shall be eligible for a tuition waiver if he/she satisfies the following terms and conditions:

- (1) The employee must have completed his/her initial employment probationary period prior to the first day of classes of the term or semester for which he/she plans to register.
- (2) A completed application for tuition waiver must be submitted to the Benefits Office for approval at the beginning of each semester, but in no case later than the deadline for 100% drop announced in the Class Schedule Book for the applicable semester.
- (3) Failure to submit a completed application within the timelines provided forfeits the employee's eligibility for that term.

Section 42.03 The employee must agree to reimburse the University for the cost of all tuition waiver benefits forfeited under the terms and conditions hereinafter provided. To assure prompt reimbursement of all amounts paid by the University for tuition waiver benefits forfeited by the employee, the employee shall authorize the Employer to collect such amounts through deductions from his/her pay in amounts not to exceed twenty-five percent (25%) of the gross amount of each paycheck

(unless the employee is terminating, in which case the entire amount may be deducted) or other appropriate means.

Section 42.04 Eligible full-time employees shall be entitled to full tuition waiver benefits as herein described. Part-time employees who are on at least a fifty percent (50%) appointment shall be entitled to one-half (½) the benefits outlined above. Part-time employees on less than a fifty percent (50%) appointment shall be ineligible for tuition waiver benefits.

Section 42.05 The employee must take courses during non-working hours.

Section 42.06 An employee shall forfeit tuition waiver benefits and must reimburse the full cost of such benefits to the Employer if:

- (1) The employee voluntarily terminates his/her active employment with the University prior to the completion of the term or semester for which he/she is enrolled.
- (2) A grade of "pass", or "C" or above ("B" for graduate courses), is not achieved in any course for which tuition waiver is obtained. Grades of "C-" (undergraduate) and "B-" (graduate) are not acceptable.
- (3) A mark of "Incomplete" (I) is received and not converted to a passing grade within twelve (12) months following completion of the semester in which the course was taken, or the date the employee's employment terminates, whichever is earlier.
- (4) The employee withdraws from a course after the date specified in the course Bulletin for one hundred percent (100%) tuition refund. Exceptions may be made through the regularly established process in Student Accounting office and by the Director of Benefits

Programs, upon a showing of appropriate cause by the employee (e.g. prolonged incapacitating illness, unanticipated conflict between the employee's work schedule and the course he/she is enrolled in, etc.).

Section 42.07 If the University increases the number of credit hours covered in the Tuition Waiver policy then any increase will also be afforded to members of this bargaining unit who make proper application and are eligible to receive the benefits covered under this policy.

AUDITING OF CLASSES

Section 42.08 Regular employees are permitted to audit classes at the University without credit, without tuition, and without following regular enrollment procedures, subject to the following conditions:

- (1) The employee must submit a completed application to the Benefits Office not less than five (5) working days prior to the first day of classes of each semester in which classes will be audited.
- (2) All classes must be audited during non-working hours.
- (3) The Academic Affairs Division reserves the right to deny any employee permission to audit a class in view of the fact that their first consideration is to regular students.

TUITION WAIVER PROGRAM FOR EMPLOYEE SPOUSES AND DEPENDENT CHILDREN

Section 42.09 A tuition waiver program providing for a waiver of one-half (½) the cost of undergraduate tuition fees at Eastern Michigan University shall be available to eligible spouses and dependent children of bargaining unit employees. This program

applies to tuition only; registration and other incidental fees which may be charged shall be borne by the spouse or dependent child.

Section 42.10 It is the intent of the University to provide only a fifty percent (50%) tuition waiver to any individual dependent regardless of the fact that both parents may work for the University.

Section 42.11 A bargaining unit member's spouse or dependent child shall be eligible for a tuition waiver if such spouse or dependent child presents to the University's Benefits Office evidence of admission confirming that:

- (1) He/She is the dependent child or spouse of a bargaining unit member.
- (2) He/She has satisfied all admission requirements and is eligible to enroll for courses.
- (3) A completed application for tuition waiver must be submitted to the Benefits Office for approval at the beginning of each semester but in no case later than the deadline for 100% drop announced in the Class Schedule Book for the applicable semester.

Section 42.12 Failure to submit a completed application within the timelines herein provided forfeits eligibility for the term.

Section 42.13 A bargaining unit member's spouse or dependent child shall be subject to all University academic standards, policies and practices and may be refused admission to the University, enrollment in courses, or continued enrollment at Eastern Michigan University, the same as any other student at the University.

Section 42.14 An eligible spouse/dependent shall forfeit tuition

waiver benefits and must reimburse the full cost of such benefits to the Employer if:

- A) A grade of "pass", or "C" or above is not achieved in any course for which tuition waiver is obtained. Grades of "C-" are not acceptable.
- B) A mark of "Incomplete" (I) is received and not converted to a passing grade within twelve (12) months following completion of the semester in which the course was taken, or the date the sponsoring employee's employment terminates, whichever is earlier.

The spouse/dependent withdraws from a course after the date specified in the Course Bulletin for one hundred percent (100%) tuition refund. Exceptions may be made through the regularly established appeal process in the Student Accounting Office and by the Director of Benefit Programs upon a showing of appropriate cause by the spouse/dependent (e.g. prolonged incapacitating illness, or the like).

Heating Plant Operations Shift Coverage

The parties agree that the following staff coverage provisions will apply to EMU Heating Plant Operations.

Heating Plant Scheduling

Heating Plant employees will not be scheduled to work more than eight (8) consecutive working days. Every attempt will be made to provide heating plant employees with a minimum of two (2) consecutive days off, unless the employee is scheduled to work overtime.

Sick Call-In Coverage. Shift coverage for absences attributed to unscheduled usage of sick time will be handled as follows:

Stationary Engineers working before and after the affected shift will split the shift. Stationary Engineers working before the affected shift will stay four (4) hours over. Stationary Engineers on duty after the affected shift will be contacted to come in four (4) hours early, if available. The Stationary Engineer on duty will contact the next shift Stationary Engineer to come in early. If the Stationary Engineer cannot reach someone to come in early, then the Stationary Engineer will contact the supervisor to find a replacement if the operator is unable to come in early; which may include covering the shift his/herself if no other operator is willing/able to come in early.

Annual Time Off Coverage (scheduled, planned absences). Coverage for employees using time off benefits will be performed according to the following protocol whenever possible.

Request for taking days off must be submitted seven (7) or more days in advance.

Two Days Off or Less

When Stationary Engineers take off two (2) days or less, the shift(s) will be split by the Stationary Engineers on duty before and after the scheduled off shift. The Stationary Engineer on duty before the scheduled off shift will stay four (4) hours and the Stationary Engineer on duty after the shift will come in four (4) hours early. Call-in pay does not apply in this instance because this is a scheduled event.

More than Two Days Off

When Stationary Engineers take off more than two (2) days, the shifts will be covered by the Stationary Engineer/Maintenance Mechanic. It is understood that, while covering for an absent Stationary Engineer, the Stationary Engineer/Maintenance Mechanic will perform the duties and responsibilities of the Stationary Engineer. Call-in pay does not apply in this instance because this is a scheduled event.

This pilot program is exclusive to heating plant employees only. The agreement will remain in effect from the ratification date of the collective bargaining agreement through June 30, 2020. Either party may call a special conference to discuss issues and concerns regarding matters that arise out of this agreement.

Either party may terminate this agreement with thirty (30) working days' written notice to the other party.

This constitutes the entire agreement.
